FOUNDATION

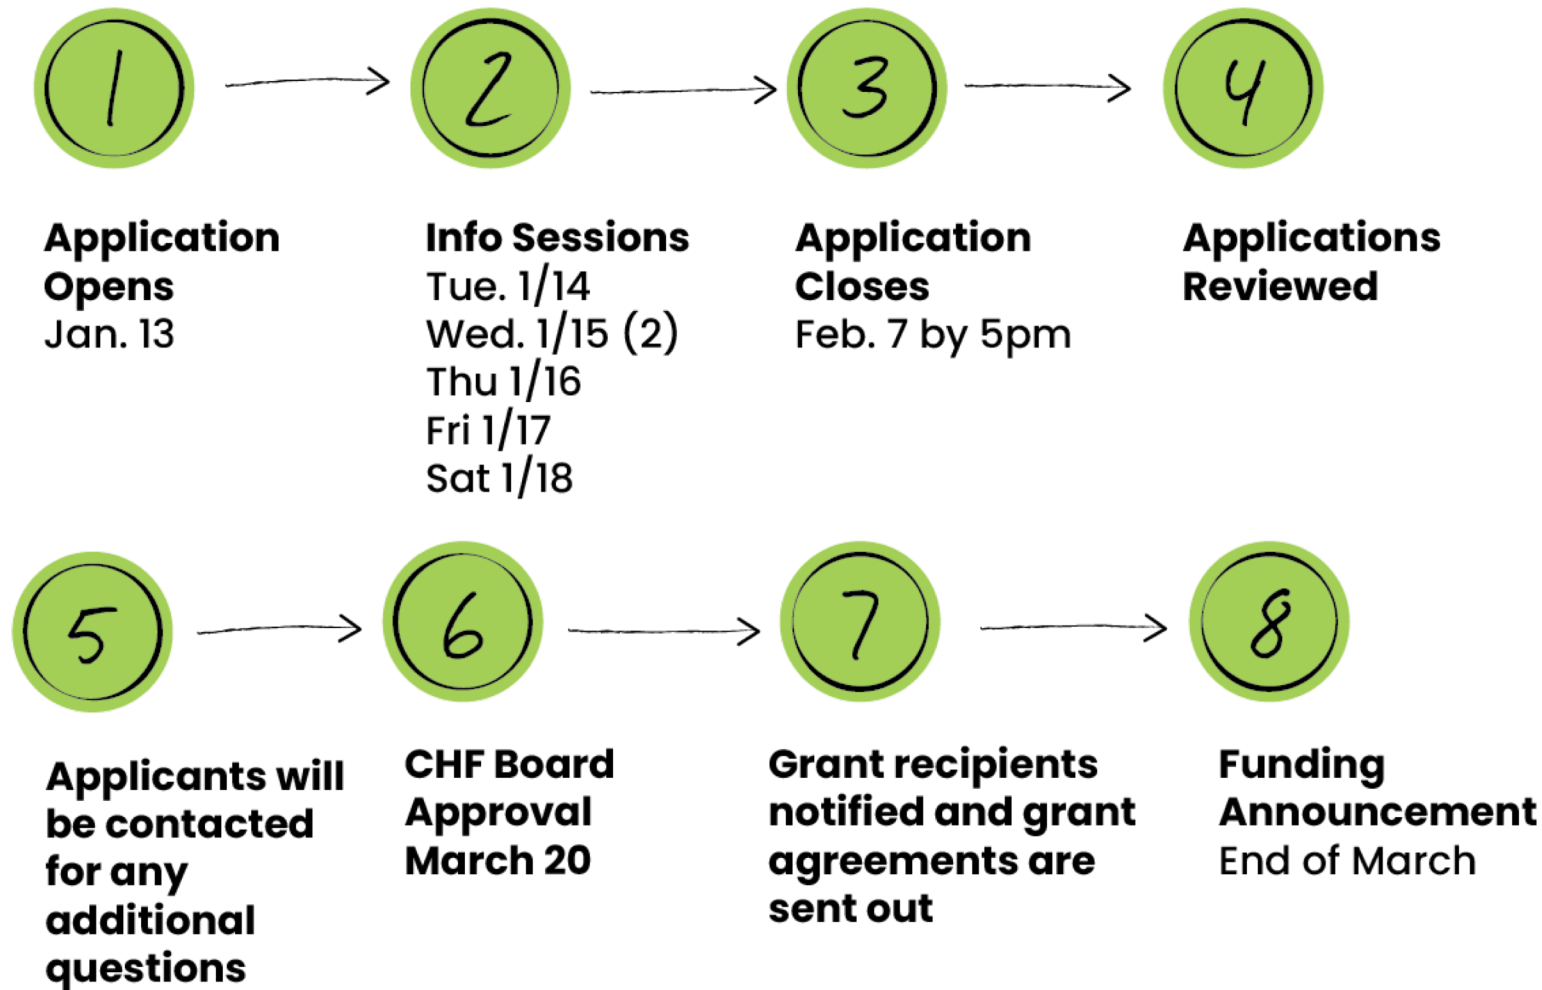

The Opportunity: Partnering for Health Equity Grant

We want to partner with organizations in Greensboro working to address systemic health inequities by impacting the social and environmental factors that drive health equity in the following priority areas:

- Healthy food
- Education
- Safe and healthy housing
- Economic mobility

Timeline for the Application Process

What Will We Fund?

CHF is offering one-time, non-renewable grant support of up to \$10,000 that can be used for:

- Capacity building
- Community building
- General operating expenses
- Program support or development

CHF will distribute up to \$250,000 through this grant process.

Who Can Apply?

Organizations and fiscally-sponsored projects that:

- Have had limited access to funders.
- Are founded, led, and governed by people who reflect the communities they serve.
- Represent place- and/or identity-based communities most adversely impacted by inequitable and discriminatory policies.
- Are pursuing community-powered work that centers racial justice/equity.
- Are nonprofit organizations and/or grassroots groups (with a fiscal sponsor) serving the Greensboro community.

Application Components

- Project Summary
- Budget Proposal
- Supporting Documents

Project Summary

Briefly describe how you plan to use the funds.

(suggested word limit: 750 – 1,000 words)

- How will you use the funds?
- Who will these funds serve (describe demographics and geography)?
- What is the intended impact and how you'll measure it (numbers or narrative)?
- A brief overview of your project timeline (high-level milestones)
- Please also name any partners you're working with through this funding
- How can you continue to sustain this project/program beyond this funding?
